

Friday 18th September 2020

This week the children have been continuing with the book 'Dogger'. They have been summarising and looking at antonyms. In Maths they have been learning addition, subtraction and the two times tables. They have been using number lines and hundred square.

Next week the children in English will be reading a book called 'The Cat in the Hat' and in Maths they will be looking at place value and number facts to solve problems.

For homework this week we would like the children to look at 'The Great Fire of London' for History. We would like the children to look at this picture and write answers to the following questions in full sentences.

The Great Fire of London 1666

What is happening in the picture?

What do they see?

How do you think the fire started?

Why do you think the fire spread around London?

How do you think people felt when the fire was raging?

Thank you,
The Year 2 team

Common Exception Words to practise. These examples will be tested during English lesson daily.

[illegible]

☆ Challenge: In your Homework book compose sentences using the above words.
