

Friday 25th September 2020

In English the children have been learning about collective nouns and have been reading the story 'The Cat in the Hat'.

In Maths the children have been learning about addition and subtraction, they have been using a hundred square and mental strategies to develop their maths skills.

Next week in English they will be looking at a non-fiction text, 'The Wild Cat Guide' and will be looking at verbs in the progressive tense.

In Maths, the children will be looking at multiplication using arrays and repeated addition strategies. They will continue to learn the five times table.

For homework we would like the children to compare houses from the past and present. We would like them to write in full sentences about the different materials the houses are made from. Also we would like the children to write about how and why the type of

Keywords - materials, wood, straw, hay, brick, stone, cement and glass.

Houses from 1966

Houses in the present

Words spelt 'y' and pronounced 'ee' to practise. These examples will be tested during English lesson daily.

[illegible]

☆ Challenge: In your Homework book compose sentences using the above words.

Thank you,
year 2 team
