

Friday 9th October 2020.

WALT use punctuation correctly.

This week, we have been developing our use of punctuation. Re-write the sentences below thinking carefully about where to place different punctuation marks

Punctuation marks

. , ? ! ' Aa

- 1.) we have been learning about large birds called eagles
- 2.) eagles have amazing eyesight
- 3.) can you believe that an eagles wingspan is between 70 – 90 inches
- 4.) bald eagles are colossal they also weigh between 10 – 14 pounds this is much heavier than pigeons
- 5.) although eagles are usually carnivores and eat meat the vulturine-fish eagle only eats fish therefore this type of eagle is known as a Piscivore.
