

Year 1 Homework 23.10.20

Well done to all of Year 1! You've had an amazing half term and we are really impressed by your hard work and commitment to your learning.

Over the half term holiday we would really like the children to practise their 2x tables using some of the fun games available on PurpleMash. Simply follow directions to maths games. Children should also be encouraged to practise with siblings and family members.

Children will also be receiving a new Google Classroom user name and password. This will be in use if we have to revert back to home learning to give children a wider range of resources. Please log in and safely store this information.

$1 \times 2 = 2$

$6 \times 2 = 12$

$11 \times 2 = 22$

$2 \times 2 = 4$

$7 \times 2 = 14$

$12 \times 2 = 24$

$3 \times 2 = 6$

$8 \times 2 = 16$

$4 \times 2 = 8$

$9 \times 2 = 18$

$5 \times 2 = 10$

$10 \times 2 = 20$

Common Exception Words to practise. These examples will be tested during English lesson daily.

but

[illegible]

☆ Challenge: In your Homework book compose sentences using the above words.
