

Dear parents/carers,

For homework this week, we would like the children to compare the lengths of different household items (spoons, brooms, mops, candles, tv remotes etc) and order them from shortest to longest by drawing pictures in their books.

For English, we would like the children to write a selection of sentences using verbs to explain what is happening in this picture. We will be reading 'The Storm Whale in Winter' next week. You can find this story at

<https://www.youtube.com/watch?v=PPtetOD2zHc>

(The boy is holding a lamp. The whale is swimming in the sea. The boat is floating on the waves.)

Common Exception Words to practise. These examples will be tested during English lesson daily.

[illegible]
