

Dear parents/carers,

This week we will be focusing on seasonal poetry. The children will be learning about the importance of choosing the right vocabulary for effect and will be thinking about different types of poetic language. In our grammar sessions we will be practising writing using the present possessive tense (ing).

In Maths, we will be focusing on time. The children will be learning about the days of the week and months of the year as well as ordering the events from their days. We have started to look at analogue clock faces and are beginning to recognise the meaning of the two different hands.

For homework this week we would like the children to write their own descriptive poem all about the winter season. The poem should include plenty of descriptive language to try and paint a picture in the readers mind. The poem does not have to rhyme, focus instead on using amazing vocabulary and describing words.

Things to write about:

- Leaves falling from the trees
- Frosty mornings
- Ice on car windows
- Freezing cold wind
- People wearing hats and gloves
- Long, dark evenings
- Feeling warm inside

Winter favorites  
Hot cocoa  
Sledding down big hills  
Seeing kids play  
Wearing jackets and gloves  
Snowball fights  
Going snowboarding  
Making snowmen  
Making snow angels  
By Reeve

☆ Challenge: In your Homework book compose sentences using the above words.
