

Shaftesbury Primary School PE and Sport Premium

=

19/20 (£21,360).

At Shaftesbury Primary School, we are very much aware of the contribution of PE to the health and well-being of the children. We believe that having access to high quality P.E and sport PE has a positive influence on the concentration, attitude and academic achievement of all our children. Our Primary School Sport's Funding will enable us to continue and extend our provision through maintaining our school sports partnership with Langdon Secondary School and member of the Youth Sports Trust. In addition to this, we will use the funding to train our staff to deliver high-quality PE lessons; continue to enhance our extended school provision, support and involve the least active children by providing targeted activities and to keep our Sports Schemes and Equipment up-to-date. We also aim to embed physical activity into the school day through active playgrounds, having recently updated our playground equipment to include equipment the children can use to exercise.
